## DESCRIPTIVE ESSAYS

### I. PERSON

**TASK:** Write a description about a relative that you feel particularly close to.

**(Refer to the topic in the introduction. Say who the person is. Mention your connection to the person)**

I feel particularly close to my oldest brother, Jonathan. Although Jonathan is only five years older than me, I sometimes feel like he is my more like a father to me, than a brother.

**(Physical description)**

Some people say that we look very much alike. Yet, I know that they are just trying to be polite because I don't have green eyes like Jonathan has, and neither do I have his height or broad shoulders. He always stands up straight and he walks like he owns the world. Perhaps that is why girls find him so irresistible and phone him all the time.

**(Characteristics, behavior)**

Jonathan is a soldier in the air force. I can't wait for him to come home from his base on weekends. He always brings me something small from the canteen. He comes in with laughter and jokes. Although he is popular and very busy with his friends, he always takes the time to ask me about my week, give me advice and sometimes a lecture about doing better in school.

**(General conclusion)**

When he goes back to the base the house seems so empty, as if Jonathan takes up a lot of space. The three weeks that he is away seem so long to me.
